

RESULT FOR TENDER IFT 2020-20

Control system for the transportation of radioactive materials by specialized vehicles of the State Specialized Enterprise Association Radon ("Radon")

22 January 2021

The Science and Technology Center in Ukraine (STCU) and International Science and Technology Center (ISTC) are intergovernmental organizations involved in the non-proliferation of weapons of mass destruction.

The STCU's activity is governed by the intergovernmental agreement to establish the Science and Technology Centre in Ukraine that had been signed by Canada, Sweden, Ukraine and the United States of America. Subsequently, the European Union replaced Sweden, and Azerbaijan, Georgia, Uzbekistan and Moldova joined the countries who had signed the Agreement.

The mission of the Center is to support research and development activities for peaceful applications by scientists and engineers formerly involved with the development of weapons of mass destruction, to advance global peace and prosperity through chemical, biological, radiological, and nuclear risk mitigation by supporting civilian science and technology partnerships and collaboration that address global security threats and advance non-proliferation.

The STCU and ISTC are currently carrying out Projects, which are funded by U.S. Department of State, Bureau of International Security and Non-proliferation / Office of Weapons of Mass Destruction Terrorism (ISN/WMDT) This project will strengthen and secure the national safety during transportation of radioactive materials by equipping special vehicles with hi-tech systems.

STCU invited potential supplier to submit tenders for the supply of control system for the transportation of radioactive materials by specialized vehicles. Tenders were received from the following companies / consortia of companies:

NT-ENGINEERING LLC, Kyiv, Ukraine and Golden Security Services INC, Florida, USA

Smart Defense, LLC, Kyiv, Ukraine and VERINT Systems, LTD, Herzliya, 46733, Israel

"Ukratominstruments" Corporation, Kyiv, Ukraine

STCU have awarded contract to the consortium of NT-ENGINEERING LLC and Golden Security Systems Inc for a total amount USD 549.115,40 based on results of tender procedure.
