

INVITATION FOR TENDERS **Extension of deadline to submit tenders**  
**IFT 2024-30**

DESIGN B1 – EXCLUSION ZONE  
**B1-LOT-4: Mobile Equipment for Radiation Dosimetric Control**

25 September 2024

- 1 The Science and Technology Centre in Ukraine (STCU) is an international organization involved in the non-proliferation of weapons of mass destruction. STCU's mission is to support research and development activities for peaceful applications by scientists and engineers formerly involved with the development of weapons of mass destruction, to advance global peace and prosperity through chemical, biological, radiological, and nuclear risk mitigation by supporting civilian science and technology partnerships and collaboration that address global security threats and advance non-proliferation.
- 2 The STCU is implementing a number of projects concerning “Modernisation of the Dosimetric Control System in the Exclusion Zone and Environmental (Radiation) Monitoring at the Vektor Complex and the Buriakivka Disposal Facility” funded by a number of donors including the European Union, Norway, United Kingdom and United States of America.
- 3 STCU hereby extends the deadline to submit your tender for the ***B1-LOT-4: Mobile Equipment for Radiation Dosimetric Control*** to:  
  
before 16:00 (Kyiv time), 11 of October 2024 after which it will be examined and evaluated.  
**Before preparing the proposal, we kindly ask you to carefully read the tender documentation.**
- 4 A revised technical proposal form is provided for the use of tenderers.
- 5 All other terms and conditions of the tender remain as previously stated in the tender dossier.
