Agenda, 20-24 May 2019, Kyiv, Ukraine

13:00-14:00	Lunch	
14:00-15:00	Session 15 Countries presentations: each country will present their national export control system and at least 2 challenges that his/her country faces in the export control field according to the contents studied during the week. This information will be useful for the implementors of the projects in the design of future activities as well as to the Steering Committee	Maria ESPONA
15:00-15:30	Coffee break	
15:30 - (rest of the afternoon)	Tutoring Session	All the available lecturers
18:30	Dinner	

	Friday 24 May	
9:00-11:00	Session 16 Simulation exercise: it will include a case study that contemplates all the aspects studied during the week. The participants will be organized in groups, representing, according to the case, national and international organizations, relevant actors, etc. At the end each group will present their results, and they will be evaluated.	Quentin MICHEL, Christos CHARATSIS and Maria ESPONA
11:00- 11:30	Coffee break	
11:30-12:30	Exam	
13:00-14:00	Lunch	
14:00-14:30	Certificates	
15:00	Adjourn	

15 minutes before each session finishes, a quiz with 2 questions will be provided to the participants to check the level of understanding of the lectures; and at the same time, we train them on the method.

After the correction of them, the lecturer will provide a feedback before the next lecture or the next day if needed.

The final test will be very similar to the quiz they did before.
